BAR HILL ALLOTMENT AND GARDEN SOCIETY

Things have been rather quiet from the allotment and garden society recently. All this has now been changed!! The new committee, recently elected, and several new enthusiastic members are trying and succeeding in cropping their plots on the Bar Hill allotments. "What", I hear you cry! "On this soil!" The answer is a firm yes. Not that rewards come without labour, but I have been pleasantly surprised by the quality and quantity of produce being grown by my colleagues on the allotment. If you have ever been te pted to take on an allotment, then now is the time. We can help you prepare in breaking the ground, clearing up the weeds and get you started on the rewarding hobby of vegetable (or flower) gardening. Come up to the allotment one Saturday or Sunday and see for yourself.

A few weeks ago, the bulk of our allotment society records were lost when my car was stolen. I would like to ask all past and present allotment holders to contact me (CH 82516) to help us in recreating our records. I will then know which plots are vacant, being held on in full use. I will also then be able to find out who owes membership and allotment fees!! Please, do try and help me in this matter.

The Society intends to hold a "Best Garden Competition" this year - to be judged during the last week of July. We know that there are some lovely gardens in Bar Hill, so don't be too modest, enter your garden for the competition. There will be several prizes for the best garden. Please fill in the slip below and return to Mr. J. James at 1 Partridge Drive by July 11th.

Finally, we shall be present at the Grand Fete on 27th June with a stand where you can meet some of the keen allotment holders. You'll see we don't have biceps like Popeye - it's all technique!

AN OPEN LETTER FROM YOUR LOCAL COUNTY COUNCILLOR

The local Education Authority have issued guidelines to Schools regarding their responsibilities under the 1986 Education Act in respect of Governors' Reports and Annual Parents Meetings. The new Act requires that all Schools produce a Governors Report giving activities of the Governing Body during the preceeding year. The first Reports will be due out this Summer to all parents and will be followed by the Annual Parents Meeting where Governors will present their Report and will be questioned by Parents. The Governing Body may invite others who are interested in the School and Community to attend the Meeting and receive the Report. The Act also provides for amendments to the Governing Body Membership which come into force in September 1988, reducing the number of Members of the Governing Body appointed by the Local Education Authority and increasing the number of Parents, Members of the Local Community and Local Industry through a system of co-opted Members.

The future of St. Bedes Roman Catholic School in Cambridge has taken a step forward as proposals are now before The County Council from both the Church of England and Roman Catholic Communities to create a joint aided School from September 1988. These proposals will be going through the Education Committee and The County Council over the next three months.

The County Council is to start work in June on the removal of the A604 lay-by, adjacent to the Golf Course. This is the final stage in the improvements to this section of road which has caused so much concern to local people over the past few years. However, no final decision has been made as to the site of the new lay-by on the A604 which, I hope will include telephone, toilet facilities and picnic area. Proposals have been sent by the County Council to the Department of Transportation for consideration.

If anyone wishes to contact me for any reason please either telephone "Careline" on Crafts Hill 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

BAR HILL WOMEN'S INSTITUTE

At the May meeting of the W.I. the President thanked all who had helped with the Jumble Sale both sorting and selling and was pleased to report well over £90 had been raised.

The next meeting will be held in the School on Tuesday June 9th at 7.30pm when we will welcome Major J. A. Forsythe who speaks on many interesting subjects and this time he will be telling us about the R.N.L.I. - Saving Life at Sea.

The theme of the Bring and Buy table is Confectionery and the competition is for the most interesting Tea Towel.

The Drama Group has started in a small way and hope for more members soon. The Keep Fit classes will be starting shortly on Wednesday afternoons in the Farmhouse from 2 - 3 pm. We now have a Craft Representative who hopes to get us all involved in an embroidery project for W.I. House.

Pland are going ahead for our 2 stalls at the Village Fete which will be a cake stall and a plant stall. We will also be doing an entry for the Floral Display at the Church Centre.

There will be a coffee morning on Tuesday June 2nd at 6 Foxhollow at 10.30am.

BAR HILL BRIDGE CLUB

The Bridge Club meets every Wednesday evening (7 - 10pm) in the School during term time. We play duplicate bridge in an informal yet mildly competitive atmosphere - we also have lots of fun. Refreshments provided. We need new members, would you like to join us? Interested bridge players (any standard, but must know the basic rules), please phone Tom Fleming on CH 80802. Thanks.

Village Fête

If you have a large frame tent which you would be willing to loan for use at the Village Fete in case of bad weather, please ring Chris Avery, 81233 or Bunty Waters, 81493. Thank you.

FLORAL DISPLAY

Thank you to everyone who has given me containers for the Floral Display and to all the Village Organisations who have agreed to take part. It should be a beautiful display.

Due to the rather erratic nature of the weather it has been difficult to predict which flowers will be in bloom at the end of June, and so perhaps I could make a general appeal. If you would be willing to donate garden flowers or foliage if needed, please ring me and I will contact you shortly before the display. Thank you. If you could put up a poster advertising the celebrations perhaps at work, at school, in a shop or library or any other public building, please come and collect one from me. We need as much publicity as possible to make the celebrations really successful.

21ST ANNIVERSARY FETE
We are delighted that Mrs. Stella Butcher (Burry) has accepted our invitation to open the fete on 27th June. Bob and Stella Burry were the first residents to move into Bar Hill and many "older" residents of Bar Hill will remember Stella as "the lady in the Sales Office who sold them their house. Stella has written as follows:

"It seems a lifelong time ago since that sunny March day in 1967 when we arrived in Bar Hill to begin a new life in our bungalow at 58 Acorn Avenue. My husband Bob and I were firm believers in the concept of Bar Hill. We didn't know what to expect really, apart from a few completed houses, unmade roads and lots of mud, there was not much else on site. Our friends thought we were mad...why Bar Hill they asked? But it was a challenge to help create a village where people could live, work and help each other. The builders provided the bricks and mortar - but it was up to us to bring it to life.

It was tough going in those early days - things that we had taken for granted were not available to us - everything needed to be brought in from Cambridge or Longstanton - the milkman did deliver the newpapers as well as milk which was a great help. The villagers seemed the only ones who had any faith in their village. House sales were slow, traders wouldn't rent shops because there wasn't enough people to support them and so it went on.

As newcomers began to trickle in at a steady pace, the Bar Hill Residents Association and Newsletter were founded in October 1967. I well remember typing the Newsletter and distributing it to each occupied property in my lunch hour! - Acorn Avenue, Almond Grove, Gladeside, and Robin Close!

As the early villagers know, I was in the Sales Office and most probably sold them their property. I loved my work and I believed in what I was selling and was always elated when I had had a good week - it wasn't for the commission either - that was peanuts!

My husband died suddenly in October 1971. We were in the process of purchasing a property in Foxhollow, and Elizabeth and I moved in there - it was our intention to do as some of the villagers are doing now - to move elsewhere as we could afford to. Elizabeth and I left Bar Hill in 1972 when I remarried and went to live in Greenwich, Connecticut U.S.A.

I had kept in touch with the progress of the Village throughout the years I lived in America. I came back seven years later to visit my good friends, Eileen and Bill Norton, and was overjoyed to see how the landscaping and gardens had matured - it had looked so bare when I left. It was with such pride that I came back with Elizabeth and saw her married in the Village Church in 1984. Bar Hill is still home to Elizabeth!

My years at Bar Hill were happy and fulfilling, tempered with frustration and sadness. There was real feeling of togetherness among the early residents, which I think is true to say gradually disappeared as the Village grew. I'm so proud to have been able to help in some small way in the birth of the first Village to be built on England for 200 years as the Brochure advertised. All credit is due to all those who have worked unceasingly over the years to make Bar Hill the success it is today.
Happy Anniversary, Bar Hill - I always knew you would make it!"

LETTERS TO THE EDITOR

Dear Sir,

Unfortunately I feel it necessary to appeal to the residents of Bar Hill to make some sort of attempt to improve their use of the roads around the village, particularly the ring road which unfortunately resembles a motor racing circuit and is sometimes used as such.

There have been three cats killed in a short space of a few weeks within a matter of a few yards of my home and this morning I had <u>two</u> cats run over, one fatally, the other with serious injuries which will result in having pins fitted to his leg which was badly broken. Perhaps because a cat is not protected by law it becomes insignificant to the road user.

It could be a child next time. Please show a little more care in future,

P. A. Sylvester
9 Little Meadow

Dear Sir,

Following my letter printed in last months Bar Hill News concerning the Toy Library's bank charges, I am very pleased to let readers know this matter has been resolved to our satisfaction with National Westminster Bank.

I would like to take this opportunity to thank everyone who contacted us with helpful advice and information and particular thanks to Lloyds Bank for their kind offer of banking facilities.

Lastly, grateful thanks to the editor for printing this letter.

Yours faithfully,

Colleen Coode

TIDY CHURCHYARDS

Dry Drayton Church Council have requested Bar Hill residents who tend graves in the Churchyard, to take home all dead flowers and other debris, as a particular effort is being made to keep the Churchyard tidy. Thank you for your co-operation.

BAR HILL TOY LIBRARY

The Toy Library is open on alternate Friday afternoons, from 2.15 to 4.00pm in the Sunshine Playgroup Building. Our toys, games and puzzles are mainly suitable for the 0-6 years age group, although we have some items for older childre. Children are able to play with some of the toys before making their choice and mums and dads are welcome to sit and have a cup of coffee. We are always pleased to meet new members, and also to receive offers of help.

Although we are run on a voluntary basis, we still have to cover the costs of rent, maintenance and replacement of stock (even the strongest toys wear out eventually!) and we have therefore decided to raise our lending charges from SEPTEMBER onwards. Although we regret the necessity, we hope you will find the rates reasonable and continue to support us - this is our first increase in 6 years.

The new rates will be :- Large toys (at present 40p),50p, smaller toys 25p (at present 20p), jigsaw puzzles remain at 10p; per two week loan.

If you have any comments or questions about Toy Library, please contact me. Next Sessions June 12, June 26, July 10 Margaret Carpenter (81192).

DOCTORS SPENT FOURTEEN YEARS DEVELOPING THIS DIET.

Susan Walsh of Tooting explains how she found success with the Cambridge Diet.

"I weighed 12 stone 2 lbs when I started the diet and within a month I'd lost over a stone. From then on I knew I could reach my 'dream' weight of 9½ stone and eight weeks later I had.* Marvellous!"

"IT CHANGED MY LIFE IN AS MANY DAYS."

*The Cambridge Diet should not be taken as a sole source of nutrition for a continuous period exceeding four weeks. Directions for usage beyond this period are given in the instruction booklet. The testimonial used in this advertisement has followed this procedure as part of a calorie-controlled diet.

YOUNG THEATRE GROUP

If you enjoyed the extracts on children's television recently, now is your chance to see Young Theatre Group's variety show, COUNTRY COUSINS, in its entirety. This fun packed family entertainment, in aid of the National Children's Home, is at the Arts Theatre, Cambridge on Sunday 21st June at 5.30pm.

Tickets £2.50 and £1.50 are available from the Theatre box office (Tel : Cambridge 352000).

Bar Hill youngsters, aged 11 - 16, who wish to join the group next season should contact Jackie Cunningham on Crafts Hill 81487. Why not come along to COUNTRY COUSINS to see what we can offer!

BAR HILL COMMUNITY PRIMARY SCHOOL

This month sees the start of the OVER 14's MOTORCYCLISTS COURSE. This is the third year this course has been held in conjunction with the Users Association, the Police and willing helpers. The last two years proved very popular with the youngsters and they all enjoyed the opportunity of learning or improving their skills in riding a motorbike. The course starts on Tuesday 23rd June at 7.00pm and runs for 5 weeks at a cost of £1. The best of the class will be awarded a trophy and I do hope parents will encourage their young people to come along. The youngsters will require a letter of authority from their parents if they wish to ride an off-road motorbike.

The courses held in the first of the Summer Term have been well received and plans are now being made for the Autumn Term. Please let me have any ideas you may have as soon as possible and I will do my very best to meet your requests.

Community Co-Ordinator

REGISTRATION OF UNDER 5's

Would parents of children born between September 1st 1982 and August 31st 1983, please register their children at the school as soon as possible if they intend their child to be a pupil there. This is most important as these children are due to start school in the year beginning in September. It would also be helpful if children younger than this age group could also register as soon as possible so that the schools building needs may be met. Thank you.
